

JEC 2010 SPRING PROGRAM

College Admission Prep. Program

❖ SAT 2100 Club

Ready for a challenging, rigorous SAT course to boost your already high scores in Critical Reading, Writing, and Math? The JEC 2100 Club is perfect for students with a high level of academic achievement who want to hone their SAT skills even further and make every question count.

Group	Instruction	Testing
2100 Plus Club	Sat 1:30 - 7:00	Sat 9:00 - 1:00
2100 Goal Club	Sat 1:30 - 7:00	Sat 9:00 - 1:00

❖ SAT Workshop Elite

The SAT Workshop Elite is designed for students who are ready to put in the extra time necessary to increase their SAT scores as rapidly and steadily as they can. With focus on Critical Reading, Writing, and Math, this course provides the content necessary to help every student feel at home with the SAT.

Group	Instruction	Testing
SAT WSE	Sat 1:30 - 7:00	Sat 9:00 - 1:00

❖ SAT English Enrichment

The SAT English Enrichment course is the perfect supplement to the Critical Reading and Writing workshops for the PSAT/SAT. In this course students will examine and discuss articles from a variety of topics for practice with critical reading, vocabulary, grammar, and essay writing.

SAT EE	Thur 5:30 - 7:00
--------	------------------

❖ SAT Math Enrichment

An excellent companion to the SAT Math workshop, the SAT Math Enrichment course utilizes key sections in our textbooks to review a broad spectrum of the most frequently tested math topics in Algebra I & II and Geometry. If you've grown a little rusty, this is the fastest way to polish your skills and maximize your score.

SAT ME	Fri 4:00 - 6:00
--------	-----------------

❖ SAT Subject Test Prep.

This course will help you on the track to success with 1-hour model test and 2-hour instruction / test review each week. Classes are open to students who are interested in taking the June 5th exam dates. The following SAT subjects are offered:

Biology	Chemistry	Math IIC	Physics	U.S. History
---------	-----------	----------	---------	--------------

❖ AP/IB Exam Prep.

JEC will help you achieve the best possible outcome from AP/IB courses with 2-hour personalized instruction each week. We offer the following AP/IB tutoring for various subjects:

Biology	Chemistry	Calculus AB/BC	Physics	U.S. History
---------	-----------	----------------	---------	--------------

❖ PSAT English WS

JEC's PSAT Workshop program offers a comprehensive review of the content and test taking skills necessary for success on the PSAT / SAT reasoning test.

Group	Instruction
PSAT Eng WS	Thur 5:30 - 7:00

❖ ACT Workshop

The JEC ACT Workshop is a rigorous, 4-week program designed for students who are taking AP and honors classes at their high schools and want to round out their college application with impressive test scores. This program starts on May 14, 2010 and ends on June 5, 2010, just in time for June 12, 2010 test date.

Group	Instruction	Testing
ACT WS	Sat 1:30 - 7:00	Sat 9:00 - 1:00

How to Register

Enrollment in our program is on a first-come, first-served basis. Register early to avoid the late rush and to secure a place in the appropriate class. New students should take a free diagnostic test before being placed in the class. For further information, please call us at (503) 496-0695

* The above information is subject to change without notice.

❖ English Personal Tutoring

Looking to enhance your English skills beyond the scope of the larger classroom environment? This course allows each student to work and learn at his or her own pace in a small, intimate environment with a highly qualified English instructor. Topics of study include critical reading, vocabulary, writing, and grammar, and are studied within our own curriculum and/or through homework help to assist each student's success in the classroom.

EPT	Mon 7:00 - 8:00
-----	-----------------

❖ Writer's Lab

Writing can seem intimidating at all skill levels, but it doesn't have to be! Join one of our writing instructors, who will facilitate a workshop environment that focuses on each step of the writing process, from brainstorming ideas and peer editing the rough draft to polishing and editing the final draft.

WL	Mon 6:00 - 7:00
----	-----------------

❖ Reading Club

Whether you already love to read or are simply looking for a way to improve your verbal skills, this intensive reading course will help you build competence in reading, a skill that is the foundation of all learning. Students will read one book every two weeks and participate in in-depth discussions led by the instructor that focus on the most important aspects of literature.

RC	Thur 7:00 - 8:00
----	------------------

❖ Math Personal Tutoring

In this small, intimate setting, JEC math personal tutoring students work through our meticulously designed curriculum at their own pace under the guidance of highly qualified and experienced math instructors. We offer complete courses in middle school math, Algebra I & II, Geometry, and Precalculus.
