

JEC NW 2023 SUMMER PROGRAM

(June 19, 2023 - August 26, 2023 for 10 weeks)

College Admission Prep Program

► SAT Workshop [Paper Version]

This course is designed for students who are ready to commit a significant portion of their summer to improve & finish their SAT by the end of 2023. With focus on evidence-based reading, writing, and math, this program provides both a comprehensive review and essential test-taking strategies to help maximize students' scores and lay the groundwork for a successful college career.

Group	Instruction	Testing
SAT WS Reading	Tue 4:00 - 5:50 PM	Sun 9:00 - 12:00 PM
SAT WS Math	Wed 4:00 - 6:50 PM	(Take -At-Home)
SAT WS Writing	Thu 4:00 - 5:50 PM	

► SAT Workshop [Digital Version]

This course is designed for students who are ready to prepare for the SAT in a new digital format. The comprehensive review of reading, writing, and math sections on the new SAT and learning of essential test-taking strategies will help students maximize their scores and lay the groundwork for a successful college study.

Group	Instruction	Testing
SAT WS Reading/Writing	Wed 4:00 - 6:50 PM	Sun 9:00 - 11:15 AM
SAT WS Math	Thu 4:00 - 6:50 PM	

► AP/IB/Honors Class Preview (Private Sessions)

Many highly motivated students are encouraged to take the most difficult class available, and JEC NW's AP / IB / Honors preview sessions are designed to preview those courses for the upcoming school year that students expect to find especially challenging. In each one-on-one course, our experienced teachers will present the principles and concepts appropriate to a specific class in a clear, easy to understand format. Our goal is to prepare students to succeed in the upcoming academic year by laying the groundwork for superior learning before school starts.

Pre Calculus	Calculus BC
Calculus AB	Physics

► ACT Workshop

This program will focus on all four areas (English, Math, Reading, and Science) with a weekly ACT model test.

*Group	Instruction	Testing
ACT WS Math / Science	Mon 4:00 - 6:50 PM	Sun 9:00 - 1:00 PM
ACT WS English / Reading	Fri 4:00 - 6:50 PM	(Take -At-Home)

► College Admission Essay Help

Set yourself apart from the sea of endless applications in the eyes of college admissions boards by writing essays that show skill, style, and character. This program can help students with every step of the process of writing college admission essays from "how to prepare" to "how to polish." Show that numbers aren't everything on your application. Make your essay count!

► Other Test Prep

TOEFL, SSAT/ISEE Test Prep & etc.

Middle and High School Program

► Readi@JEC NW English Level I-V

Get a head start and set yourself apart in your English studies by working with one of our highly qualified English instructors in reading comprehension, vocabulary, writing, and grammar.

Elementary School Program

► Junior Readi@JEC NW English Level I - III

Designed for 2nd to 5th graders, the Junior Readi@JEC NW English Program includes reading comprehension along with vocabulary building, grammar, and creative writing.

Group	Schedule
Level I	TBD
Level II	Mon & Thu 2:00 - 3:50 PM
Level III	TBD

► Junior Math Personal Group Tutoring

A junior version of our math personal tutoring, this course will help younger students improve and develop their math skills, each at his or her own pace, in a small, intimate setting with one of our highly qualified and experienced math instructors.

Group	Schedule
JMPGT A	TBD

► Other Elementary School Program

Primary Math Personal Tutoring and Primary English I - III (1st - 3rd graders only)

JNW Special Program

► Math Personal Tutoring 7 (MPT7)

The MPT7 Program is designed for the student who needs to get help on all K-12 math levels up to Pre-calculus in small group tutoring sessions which will have a **maximum of seven students per class**. The timely academic coaching with necessary guidance on homework and/or based on our curriculum, a student will be able to solve problems on his or her own rather than having teachers solve for them. The MPT7 Program is a very effective way to get help for the student who is looking for professional support and guidance on improving and/ or getting ahead in math.

Group	Schedule
MPT7 A	Tue & Fri 2:00 - 3:50 PM
MPT7 B	TBD

► Readi @JEC NW7 Program

Our classic English course, featuring reading, grammar, writing, and vocabulary development, is now available in a more affordable tuition. For self-motivated students willing to challenge themselves, our new Readi@JEC NW7 plan provides weekly grammar or writing instruction and small group discussion of grade appropriate reading texts. The more concentrated curriculum means that students can get ahead in language arts with a smaller in-class time commitment if they are ready to put forth the effort necessary to succeed.
